

HI! NEIGHBOR!

**CLINTON HILL
WELCOMES YOU**

WHAT IS CLINTON HILL NEIGHBORHOOD COUNCIL?

The Council is people... neighbors like you and me, from every corner of Clinton Hill and every background, who want to preserve and improve their community.

The Council is organization... groups like the one bringing you this message. It was founded in 1955 to build mutual respect and cooperation among residents.

The Council is ideas... plans for better housing, first-rate schools, parks, clean streets, playgrounds.

The Council is -

non-partisan
voluntary
non-profit.

All who wish to help can join. Churches, businesses, tenants, civic groups, and homeowners belong. Members meet on their own streets through block branches and on a neighborhood-basis through Council committees.

Won't you join with your friends and neighbors?
